The Stories of Pro Bono in TN

"I learn something
new with every pro
bono experience.
Most of my pro bono
work is vastly different
from my typical
commercial litigation
practice. My pro bono
work allows me the
opportunity to work in
areas such as
expungements,
divorces, and probate.
I am able to add
something new to my
practice toolkit with
every case and/or
clinic."

"Just do it. Try it.
Figure out what works
best for you and your
pro bono practice.
There is something
each and every
attorney can do to
help someone
desperately in need of
assistance. We just
have to be willing to
do our part to help."

"While a summer
associate, I worked
on a pro bono case
with attorneys in the
firm. We were
representing a plaintiff
in an employment
dispute. I was rising
2L and had very little
experience. However,
this case allowed me
the unique opportunity
to gain litigation
experience early in
my career."
